

GFG FOUNDATION AND THE LIBERTY TALENT PATHWAY

Liberty Talent Pathway	GFG Foundation
Stage 1 (Presentations)	
Primary schools year's 5-6 presentations to be given broadly to promote opportunities for careers in manufacturing	This is delivered by the Industrial Cadets Challenger programme .
Stage 2 (Work Experience/Work Placements)	
Engineering in Education Scheme (EES) project work	The EES programme equates directly to the Industrial Cadets Gold Level and is run by the Engineering Development Trust (EDT) on behalf of the GFG Foundation.
Stage 3 (Apprenticeship/Scholarship Opportunities)	
Scholarships	The GFG Foundation will consider sponsoring a number of scholarships that would be provided with work experience within Liberty companies.
Stage 4 (Professional development/Qualifications support)	
Staff training opportunities	The GFG Foundation will deliver mentor training for Liberty employees who wish to assist with the Industrial Cadets programme.
