

Partnership criteria – 10 Key Requirements

The following criteria apply to any organisation that the GFG Foundation intends to partner with:

	Requirement	Comment
1	Legal entity	The partner is a registered legal entity in the country within which the activities will take place. This would ordinarily be another Not for Profit with mutual charitable aims and objectives or other organisations engaged in charitable activities.
2	Governance	The partner has an engaging board that understands and shares the values of the GFG Foundation.
3	Strategy and Policy	<ul style="list-style-type: none"> • The partner has a current and realistic Strategy. • The partner takes Child Protection seriously and has the necessary safeguarding and policy in place.
4	Proven success	The partner can evidence proven success with similar projects/partnerships, whether within reports, case studies etc.
5	Staff support	The partner is able to provide staff support to deliver a project i.e. a dedicated project manager/coordinator; this is vital to ensure local management and delivery.
6	Access	The partner has direct access to the people that a project will benefit and not through a subsidiary/third party.
7	Profile	The partner has a proven brand and public profile. Reciprocity of brands must be agreed.
8	Finance	The partner has at least one years audited accounts (within an annual report).
9	Funding	The partner is able to attract some matched funding to ensure that the project is sustainable beyond the lifetime of the GFG Foundation's seed funding.
10	Results	The partner agrees to suitable project monitoring and reporting requirements to be put in place.

Following compliance with all of the above requirements, the GFG Foundation would enter into a signed agreement with a partner that would ensure:

1. Agreed mutual objectives
2. Agreed mutual risks
3. Agreed targets
4. Agreed budget
5. Agreed processes of measurement and monitoring
